Crash Near Mokena Puts 4 In Hospital

Four persons were hospitalized as a result of a head-on collision between two cars on Wolf Rd., about half a mile south of Mokena Monday morning.

George Sayers, 74, 159th St., west of Wolf Rd., Orland Township, his wife, Florence, 73, their son, Harold, 44, and Mrs. Edith Neal, 42, of 9335 Pleasant St., Tinley Park, a passenger in the other car, were all admitted to Silver Cross Hospital, Joliet.

Mr. Sayers, who was driving, has a fracture of the right elbow and possible internal injuries; his wife has a fractured arm and facial cuts from having been thrown against the windshield; the son has a fracture of the right leg. Mrs. Neal was hurled face-first against the windshield, breaking a hole in the glass. She was severely lacerated about the face and head. Her son, Ronald, 16, who reported driving, was shaken and bruised.

According to the report of Will County Deputy Sheriff Walter Muehler the two cars met head-on, Sayers was traveling north and Neal south. The Neal car is said to have skidded on the icy curve and crossed over into the north bound lane. The collision took place about 10 a.m., when the pavement was still slick from the freezing rain that fell earlier.

Mr. Sayers and his wife were wedged against the dashboard and the steering wheel was jammed against Sayer's stomach and chest.

Mokena firemen had to cut off the roof of the Sayers' car in order to remove the occupants.

Frankfort firemen were called out shortly before 4 a.m. Sunday to extinguish a blazing car in a crash at U.S. 45 and U.S. 52 which took two lives, Mrs. Susanne Hamilton, 21, a dancer, of Joliet, and Floyd E. Chamness, 48, a service station operator at Downers Grove, were killed.

According to the report of state police Daniel Hamilton, 23, husband of Susanne was traveling east of U.S. 52 and failed to stop for U.S. 45 on which Chamness was driving north. Hamilton's car rolled over and burst into flame.

School Board Candidates Have Two Weeks To File

Last Thursday, Feb. 22, was the first day for school board candidates to file. The last day for filing will be March 18. Since that falls on a Saturday the filing must be done by noon, as far as Lincoln-Way High School District 210 is concerned. School elections are slated for April 8.

The terms of Dr. Lowell Webb and George Preston, both of New Lenox, Lincoln-Way board members, expire this spring and both are candidates for re-election. Fant also is treasurer for the Village of Mokena.

Webb is vice president of the high school board and is finishing up his first term on that body. Preston is a former member of the board who was defeated when he ran for re-election. When Lorin Schleeter, Manhattan, moved from Manhattan Township into the Village of Manhattan he moved himself off the board as it would have had too many members from incorporated areas. Preston was appointed to succeed him and

This has been a busy year so far for Brownie Troop #605. They visited the Orland Park Fire House and were shown all the equipment our firemen use in their daily efforts to save life and property. More of our citizens should become acquainted with the wonderful work these men do. Another visit was paid by the Brownies and their Leaders,

but this time fun was the main object. At J1-Lynn Florist each girl was presented with a white mum and all the materials needed to make their mothers a corsage. The girls, though not as adept as the owner Linda, did a lovely job.

Last week, Miller Mercury was the host to the Troop. They were shown all around and were especially interested in the repair shop, as to most of these girls, this was a new and strange world. Each Brownie was given a litter-bag for Dad's car and a pot holder for their Mothers, Courtesy of Bob Miller.

Bed favors for patients of Tinley Park State Hospital had been prepared by the Brownies, but due to the Storm, they were unable to deliver them in person as planned. Mrs. Oscar Enk, the assistant Leader, brought them to the Hospital with the girls' best wishes.

The Brownies of Troop #605 will help celebrate Girl Scout Week with 700 other Girl Scouts in the Palos - Orland area. They are preparing a skit for "Girl Scout Day" to be held at the Richards High School in Palos Park on March 11, 1967.

On Monday, March 6 at 7:30 p.m. the delegates to the Consolidated 230 Caucus will meet in the Little Theater at Carl Sandburg High School to choose candidates for the School Board, from a list prepared by the nominating committee. One nominee is then selected for each vacancy on the Board.

Any organization of twenty or more members whose primary purpose is general community welfare is eligible to send two delegates and one alternate delegate to the meetings of the Caucus. If your organization is not represented, please call Mrs. Robert Voras at 448-3521 for information on credentials.

New Lenox Town Election Is Major Party Contest

The New Lenox Township election will be a contest between the two major parties this year.

Republicans and Democrats held caucuses at which candidates were selected to the officers to be voted upon at the election April 4.

A supervisor, assistant supervisor, highway commissioner and two Township Library board members are to be elected.

New Lenox elected an assistant supervisor two years ago, John Oster, but later his election was held to be invalid because there was no official census figure showing the township had a population in excess of 7,500. To have an assistant supervisor the population must be 7,500 and while numerous unofficial counts showed it to be that much the census figure was lacking. Later a special census was conducted that verified the unofficial figures and now an assistant supervisor is to be elected.

The Republicans nominated John E. Francis 220 E. Haven, for re-election as supervisor, an office he has held for several terms. Francis is one of the influential members of the Will County Board. He will be opposed by the Democratic choice, Henry L. Errek, 352 W. Francis Rd., an operator in the Olin Chemical plant at Joliet. He is Democratic committeeman of the 3rd New Lenox precinct, a member of the New Lenox VFW post, and has the endorsement of labor. Errek has been a resident of New Lenox Township for 16 years.

The Republican choice for assistant supervisor is John Oster, 840 N. Cooper, former superintendent of the New Lenox Grade School system, who retired from that post several years ago. He is now associated with the rehabilitation center of the Lt. Joseph P. Kennedy Jr. School for Exceptional Children in Palos Township. He is opposed by Tom Orr, 336 Williams St., New Lenox, Democratic committeeman of the 1st precinct. Orr also is an operator at the Olin Chemical plant.

The Republican candidate

for highway commissioner is William "Bill" Loucks, Rt. 1, New Lenox. He is an excavating contractor and has been a resident of New Lenox township since 1951. He formerly lived in the Marley area and was a trustee of the Marley school for several terms. His Democratic opponent is Dominic W. Rini, 2425 Erskine (Sherry Hill), Democratic committeeman of the 5th precinct. He is employed by the U.S. Rubber Co. at Joliet Arsenal as supervisor of roads, railroads and grounds. He has 185 miles of roads, 225 miles of railroad and 35,000 acres of grounds under his supervision, he said. Two years ago

he was a unsuccessful candidate for assessor.

There is a third candidate for highway commissioner, Otto G. Bormet, Chief of the New Lenox Volunteer Fire Dept., operator of a garage on Lincoln Highway, and is a former police magistrate of the Village of New Lenox. He is running as an independent.

The two library board candidates on the Republican ticket are Jane K. Anderson, 214 E. Haven and Beverly Welsch, 2500 Dougall, (Sherry Hill). Running on the Democratic ticket are Mary McLoughlin, New Lenox Twp., a teacher at St. Francis Academy.

OK Street Program

A street improvement program which will include paving and curb and gutter as well as some changes in culvert elevations to provide better drainage from the sewage treatment plant was given approval by the Orland Park village board at its regular meeting Monday night.

Trustee Clifford Mehling, head of the street department, reported that approximately \$51,000 would be available to the village this year from motor fuel tax collected by the state.

It is estimated the proposed improvement program will cost approximately \$49,000. It was believed there would be sufficient funds to carry on with the plan to lower certain culverts as proposed by Mayor Melvin Doogan.

The street program includes the paving of several intersections.

On the list for improvement are:

Oakley Av., south of 143d St., for a distance of 1,350 feet. It is estimated the cost of this job would run about \$20,000.

Jefferson St., south of 143d St., for a distance of 400 feet and the cost is estimated at \$800.

Union Av., north of 143d St., for a distance of 300 feet. The cost is given as about \$6,000.

Woodland Av., south of 143d for a distance of 100 feet. It is proposed to improve Greenland Av., Raney's Lane and Ridge Av., for the same distance and all south of 143d St. The cost is estimated at \$2,000 in each of the four proposed projects.

The village is building its street system into a good one by doing so much of improvement each year, it was pointed out.

Gas lines are to be installed in Unit 2 of Brentwood Hills Subdivision, Mehling reported to the board.

A letter praising the village officers, elected and appointed, for their work in behalf of the community was received by the village board from Arthur Cochrell as president of the Township Regular Republican Organization.

"Our village officials should be highly commended for the fine work they are doing for betterment of the community," the letter concluded.

The village council approved the request of the Children's Benefit Association to hold a tag day in Orland Park on April 21. There are said to be some 50 organizations in this association, many of whom devote their efforts to the suburban areas, it was said.

Two Area Residents Find Refuge, Warmth In Storm

JAMES PEYTON
Telephone: 532-1516

As you readers all well remember we had another snow storm again last Thursday, but, instead of elaborating on the storm I think it is only proper to elaborate on the good that can come from such an occasion. A couple from Tinley Gardens had to go to Tinley Park for some medicine Thursday evening about 7:00 p.m., and the storm got so bad that at 171st and 80th Ave. they were forced to return however they didn't make it back as there were some tremendous snow drifts blocking their way. They went as far as was possible and then due to a lack of gasoline they decided after about one hour to try to rouse someone at a farmhouse a short distance away so that they might get warm again. However no one answered the door even though lights went on in the house and yard lights were turned on also. This plan failing they decided to try to walk on home which would be a good mile but after starting they found that this would be impossible as the snow froze right to their hair and froze their eyelids shut and even the pelting of snow against their faces was so harsh that eventually the lady just had to give up and she lay right down in the road and told her husband to continue on by himself but he refused and he dragged her on till they arrived at the home of Mr. and Mrs. Clarence (Shorty) Lauffer on 183rd St. where they were invited in and a big pot of coffee and a little whiskey was administered to warm them up. They were given extra warm clothes and then started out for home again. This time they made it and the following morning Shorty came down and got Ed and took him down to get his car out of the snowdrift. Believe me there are some really true friends and neighbors in this world after all. All of the people of Tinley Gardens wish to thank Mr. and Mrs. Lauffer from the bottom of our hearts for helping our good neighbors Mr. and Mrs. Ed Henschel of Pleasant Ave.

We are sorry to announce that Mrs. Herschel (Bernice)

Woods had an accident the other day. She closed the garage door on a couple of her fingers and lost just the tip of one finger. Also her son Jimmy fell down at school, and cut his hand pretty bad and had to have three stitches to repair the damage. Congratulations are in order for Jimmy also on his efforts to maintain a high average at school and he made the Honor Roll.

Let's all help our Girl Scouts (Linda Henschel and Debbie Engel) with their cookies as this is Girl Scout week and they need this money for operating costs and for maintaining the high standards that go with scouting. If they don't come to your house please contact them and give them your order for cookies.

Starting March 1, the flag will fly over Tinley Gardens once again. The boys think that the weather will be warm enough to warrant raising the flag from now on and maybe we will not have to discontinue this little job next winter. The wind and bad weather is so hard on the flag however we are going to try to make other arrangements such as flying a cheap flag in bad weather etc. This will make our good flag last quite a bit longer.

The girls bowling tournament leaders are as follows:

Team #2 - Screwballs, High Team - 1085, High Series - Individual - Pat Kalas - 410, High Game - Marilyn Thacker - 165.

At this writing Mr. Ed Henschel of Pleasant Ave. is in Silver Cross Hospital, Joliet awaiting surgery. He will be in the hospital about a week and then will be about six weeks before full recovery. Hurry up and get well Ed.

I wish to thank Mr. Walt Yunker once again for the cinders for our corner. This enabled our school bus to make its pickup of the kids a lot easier without altering the normal route.

Once again I ask each of you to please advise me if you have any news as it becomes difficult to obtain news this time of year due to the weather and my working hours.

Frankfort Man Is Blizzard Victim

Funeral services were held on Monday, Feb. 27 for William C. Knieriem, age 60, late of 16 Walnut St., Frankfort.

Mr. Knieriem, died of an apparent heart attack sometime Thursday night during the blizzard. He had been employed as a custodian at the Homewood - Flossmoor High School for the past nine years. It was reported he left the school at midnight Thursday, and enroute home his car became fast in a snow bank near Crawford Ave. and 183rd. St. in Country Club Hills.

He was attempting to shovel his car out of a drift when he collapsed of an apparent heart attack. He was found frozen and crumpled over his shovel about daylight on Friday morning. Taken to St. James Hospital in Chicago Heights, he was pronounced dead on arrival.

Born in 1906 in Orland Township, he was a lifetime resident of the area, spending the past twelve years in Frankfort.

He is survived by his wife, Rosa, nee Vogt, two daughters, Mrs. Carol Hossbach, and Mrs. Norma DeLair, both of Frankfort; one son Orville who lives at home, two sisters, Mrs. Edna Rauch of Orland Park, and Mrs. Lavera Marquardt of Madison, Ill., one brother, Raymond, of Mokena, and two grandchildren.

Removal was to the Hirsch Memorial Chapel, Tinley Park, to the Good Shepherd Lutheran Church, Frankfort, where services were held on Monday, Feb. 27 at 1:30 p.m., with the Rev. Erwin Baumgartner officiating.

Interment was in Trinity Evangelical Lutheran Cemetery, Tinley Park.

Junior College Board Election Is April 15

County School Supt. Boyd Bucher has set April 15 as the date to elect the board of education for the Class I Junior College District recently approved by the voters of Will and portions of Grundy, Kendall, LaSalle and Kankakee counties.

Nominating petitions require 50 signatures and may be had at the county school offices in Joliet and Morris. Monday, March 6, is the first day for filing and the last day will be March 24.

Names of candidates will be printed on the ballot in order in which they are received in the Will County school office, Bucher said.

There will be seven members on the board and at least two of them must be elected from unincorporated territory since 30% of the taxable property in the district lies outside of incorporated areas.

The same precincts can be used in the junior college election as for the regular school elections.

The board will select the site for the new junior college and there is a move to persuade it to keep the school in the down town area of Joliet which is served by public transportation. Pupils from Morris, Mokena and New Lenox could use the Rock Island. Students in Joliet, Lockport and Manhattan could use regular buses, it was pointed out, whereas if the campus is located on the far west side all students would have to use cars, which would cost their parents considerable money. Educators also claim that when students have their own cars, whether in high school or college, the fact is reflected in lower grades.

SWS Music Festival At Reavis March 17

High School music students will participate in the 14th annual Southwest Suburban Conference Music Festival to be held at Reavis Community High School, 77th and Austin Av., on March 17, at 8:00 p.m.

The 1967 music festival promises to be one of the finest combined school festivals in the Chicago area. Eight southwest suburban high schools will send select students in orchestra, chorus, and band to join in the program. The eight schools are Bremen Community, Midlothian; Carl Sandburg, Orland Park; Evergreen Park Community, Evergreen Park; Homewood - Flossmoor, Homewood; Lincoln - Way, New Lenox; Oak Lawn Community, Oak Lawn; Reavis, Oak Lawn; and Rich Township, Park Forest.

The festival orchestra will be under the direction of Dr. S. Ward, Chicago Teachers College South, music department head. The orchestra will play three selections: "Iphigenie en Aulis," "Prologue Hymn & Dance," and "Sound of Music."

The festival chorus will be under the direction of Don

Craig, University of Wisconsin. The chorus will sing four selections: "All Ye Who Music Love," "All of My Heart's Deep Yearning," "Chorus of the Hebrew Slaves," and "Everytime I Feel the Spirit."

The festival band will be directed by Tom Fabish, director of bands at De Paul University. The band will play five selections: "Harmony Grits March," "Prelude and Fugue in C minor," "Irish Tune From County Derry," "Pineapple Poll" and "Man of La Mancha."

The orchestra and chorus will combine on the opening number, "Glory and Honor" by Rachmaninoff, and the band and chorus will join for the closing number, "Turn Back, O Men" by Holst.

Tickets are for sale by members of the school music department and at the concert, adults \$1 and students 50 cents.
